SCHOOL BREAKFAST

- ♦ Oceanside Unified School District (OUSD) does not have Provision 2 status for any schools, but it appears that 7 elementary and 2 middle schools are eligible and could be serving *universal free meals*. *Mission Elementary* is also eligible for CEP.
- ♦ OUSD provides *Breakfast After the Bell* at all schools, however, breakfast participation remains very low (especially at the elementary level). *Universal free meals* would increase both breakfast and lunch participation at all P2 schools. Starting *Breakfast in the Classroom* at the elementary schools is also recommended.

AFTERSCHOOL & SUMMER MEALS

- ♦ The City of Oceanside is committed to increasing afterschool supper and summer meals participation and is actively working with San Diego Hunger Coalition, OUSD and other local partners on this effort.
- ♦ OUSD is already a CACFP sponsor and serving supper during afterschool programs. There may be potential to provide supper for additional afterschool activities including sports teams and clubs.
- ♦ **Feeding San Diego** provides afterschool supper for North County Lifeline's afterschool programs.
- ♦ The City of Oceanside Balderrama and Melba Bishop recreation centers would be great locations for CACFP supper, if a sponsor and meal vendor can be identified. Limited snacks are currently provided and purchased at retail cost.
- ♦ Oceanside Unified School District is one of the only districts with a mobile summer meals van (a best practice!), enabling them to provide summer meals at 16 community sites and school locations. OUSD is currently the only summer meals provider in the district.
